

STEPHANIE FABRA LASA

DESIGNER IN VISUAL COMMUNICATION

ADVANCED STUDENT

I am a proactive and creative university student in Visual Communication Design, nearing graduation. Passionate about innovation and storytelling through design, I have experience in branding, editorial design, and visual strategies. Known for my cheerful demeanor and resilience, I excel in collaborative environments and bring leadership skills, while thriving in independent projects. I am eager to apply my knowledge and gain hands-on experience to contribute effectively to impactful design initiatives
